

「少年華光」公仔(布偶) 訂購表格 “Wah Kong Junior” Order Form

傳說玉帝被凡間大戲驚動，火神華光因而被命下凡火燒戲棚，卻被精彩演出吸引而不忍下手，遂教導戲班以黃煙迷惑玉帝，讓眾人逃過一劫。粵劇戲班因此感恩，尊稱他為「先師」或「師傅」。華光先師擁有三目靈光、手捧三角金磚，能鑒別善惡、昭示德行，並庇佑善仁，其三眼更象徵智慧，在粵劇界備受尊崇。

According to legend, the Jade Emperor was disturbed by a performance in the mortal realm, prompting the Fire God, Wah Kong, to descend and set fire to the theatre. However, captivated by the remarkable show, Wah Kong couldn't bring himself to act. Instead, he taught the troupe to use yellow smoke to confuse the Jade Emperor, allowing everyone to escape disaster. In gratitude, the Cantonese opera troupe honored him with titles like "Sin-si" (先師, the honorific title means “grand master”). Wah Kong Sin-si is depicted with three eyes and holding a triangular gold ingot, symbolizing his ability to discern good from evil and reveal virtue. He protects the benevolent, and his three eyes represent wisdom, earning him great respect in the Cantonese opera community.
